Working Together To Make a Difference

October 2008

Clip those BOX TOPS FOR EDUCATION. Last year we collected enough BOX TOPS to purchase 2 pottery wheels for the art program and this year our goal is to raise enough to purchase a new sound system for the school. Please send in your box tops to the school or drop them off at the Bartlett Library. For more information go to [www.boxtops4education.com](http://www.boxtops4education.com)

## October Meeting

Our next meeting is on Tuesday, October 21 at 6:30 p.m. in the Swasey School Library. The meeting will begin with a Family Health Night – An evening of fun, activities, information about family nutrition and fitness; ideas, resources and children’s health related books. This presentation will be followed by our monthly meeting. We have another fabulous door prize for one lucky attendee of the meeting, so come and join us!

## Note Card Fundraiser

Please look for our note card fundraiser in the Wednesday folder. Each child will create the art work in art class and then you can order color and/or black and white note cards and notepads with your child’s original art work on it.

These items make great gifts for family and are wonderful to have in the house to use all year long. Please check out the samples displayed in the school foyer.
